

Bridal Emergency Kit

DirectoryForWeddings.com

- A list of important phone and cell numbers for vendors, bridal party and everyone involved in the planning plus a cell phone.
- Small first aid kit

- Small sewing Kit with safety pins and sewing tape for emergency hemming - same color thread as your gown and Bridesmaid dresses.
- Aspirin or Tylenol
- Perfume purse size

- Antistatic spray- a must if it has been a dry winter or summer
- Visine, eyes drops. Contact solution or eyeglass cleaner

- Small make-up kit and mirror for touch-ups

- Breath mints or freshener, tooth picks and dental floss

- Pepto-Bismol for stomach relief. They do sell these in small bottles

- Sanitary items you may need (hopefully not)

- Prescription medications, non-drowsy allergy relief medications or pens for bees stings, peanuts and so on...

- Kleenex

Special Notes:

- Extra Bobby pins and hairclips

- Small purse size Hair Spray and comb

- Stain remover or baby wipes for grease stains and Tide to Go is perfect to eliminate food and drink stains on the spot.

- White Chalk or dressmakers chalk to cover up any flaws on your wedding gown

- Nail file, clippers and nail glue for repairs on sculptured nails

- Two extra pairs of Pantyhose and clear nail polish to stop the run

- Deodorant

- Crazy Glue or Superglue

- Bottled water

- Smelling salts just in case anyone faints

- A detailed map to your Church location
