Wedding Advice

- Let the Bride know that you are ready to help. Planning a wedding is not an easy task. You are a very special and important part of her special day. You will be her confidant, counsellor, and problem solver. She is depending on you to help ensure her wedding is a successful and memorable day for everyone.
- If it were you getting married how would you like your Maid Of Honor to be? Put yourself in her shoes.
- Assist in anyway that you can and be the best Maid Of Honor you can be.
- Help make her day as stress free as possible. What the Bride doesn't know doesn't need to know until after her honeymoon.
- A Maid Of Honor needs help to, so don't be afraid to depend on the Bridesmaids for assistance. You might choose to co-host and share the responsibilities equally.
- If funding is an issue, be sure to discuss this with your Bridesmaids.
- This is her one day she will treasure forever and she chose you to be part of it. Congratulations, what an Honor!
